

INDUSTRIAL NETWORKING

- Unmanaged, Lite-Managed & Managed Industrial Ethernet Switches
- Secure & Wireless Device Servers
- Waterproof Designs for Harsh Environments
- Open Architecture
- Ring Technology
- Industrial Serial to IP Converter

- T-Series High Performance Solid State Drives from ASAX
- Fast Sustained Read Speed of 200-260mb Per Second
- Fast Sustained Write Speed of 180-230mb Per Second
- 8-Channel Data Transmission
- Low Power Consumption Max. 2W
- 0° ~ +85°C Operating Temperature
- Extremely Reliable

INDUSTRIAL LCD PRODUCTS

- Compact Desktop & Wallmount PCs
- LCD Panel PCs
- Stainless Steel Bezels
- IP67 & IP65 Splash & Dust Resistant Environmental Protection Rating
- Optional Touch Screens
- Sizes from 6.5"~42" LCD Screens Available

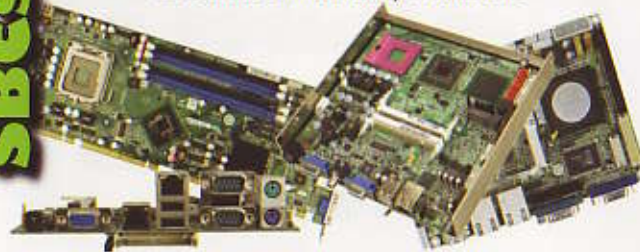

- 5.6"~42" All-in-One Systems
- Wireless Connectivity
- Bluetooth Communication
- HSUPA Mobile Wireless Connectivity
- Up to IP64 Front Panel Compliant
- Optional Touch Screens
- Vertical Market Options Include the 3-series KIOSK Panel PC, 4-Series In-Wall Panel PC & 5-Series Fanless Dual-Core Panel PC

LIGHT INDUSTRIAL LCD PRODUCTS

SBCS & EMBEDDED BOARDS

- 3~5 Year Product Availability
- From Intel® Atom™ up to Core™ i7/i5/i3
- From PC/104 Modules to ATX Motherboards
- Watchdog Timer
- 0°~60°C Operating Temperature
- Extended Temperature Options from -40°~85°C Available
- Optional CF, Mini PCI & Mini PCI-E
- Support for Multiple COM, SATA, LAN, USB & Video Ports
- Extended Warranty Available

- Fanless Micro PCs (Intel® Atom™ ~ Core™2 Duo)
- DVD/DVDRW/Blue-Ray Drive Options
- Low Power, High Performance
- Compact, Space-saving Design
- Wide Range Suited to Many Applications
- Optional Military Specifications
- PCI, Mini PCI & Mini PCI-E Expansion

MICRO PCS

INDUSTRIAL SYSTEMS

- 19" Rackmount Systems
- SBC, Motherboard & Embedded PC Based Systems
- Multiple ISA, PCI & PCI-E Slots Available
- Custom Systems Designed & Built to Your Specifications
- We Can Customise Embedded Boards

Did you know we can create systems tailored to your specific industry requirements?

Did you know we can customise your motherboard, XPE embedded image, BIOS & other system components to suit your individual needs?

If what you require is not in our standard range, Contact Us for Your Customised Designs & Layouts.
